GUARANTEE

All material which we offer is guaranteed to be first-class, graded to or better than the standards adopted by the American Association of Nurserymen. If planted and cared for properly it should thrive and grow. However, nursery stock is of a perishable nature and a limited amount of failures are to be expected. They might be due to weather conditions over our control, improper planting methods, or for no apparent reason at all. Therefore should failure occur, we will replace once at one-half the original price if notified before August 1st, following the preceding Fall or Spring shipments.

DELIVERY

All material is shipped F.O.B. Pittsford, N. Y., unless otherwise noted. It is shipped via PARCEL POST, or Express, or Freight, according to our judgment. Stock is well packed to reach you in a field fresh, ready to grow condition.
